

Family: Please continue to pray for us as a family, giving thanks for good health, and for God's protection at all times.

Minor Prophets: The checking of the Minor Prophets continues: Joel is now finished, and we're working on Micah and Hosea. Feedback from the group of readers has been helpful, with some fine tuning of Obadiah, Jonah, Nahum, Habakkuk and Zephaniah.

Moving home: we have decided, for various reasons, that we need to live nearer the city centre. Church commitments, the boys' school and out-of-school activities, as well as social events, all require us to make more and more journeys into and out of the city. So, our house will be on the market by early next month: we pray for a quick sale (even though the market is at a total standstill) and then for finding the right house to buy in Salta city, hopefully before the end of the year. **Please pray!**

Budget 2012: After 19 months of our 22 month project, we are close to meeting our proposed budgeted costs (see page 2). This is amazing! God has been so good to us! But we still need an average of **£4367.00** per month over the next 3 months: please pray we will see this covered through to the end, and that we will be able to visit you in England early next year.

To England in December 2012: We are hoping to travel to England at the end of December, in order to visit family, supporters and friends during January and February. We have provisionally booked flights arriving 30th December, but have not yet covered the cost of these. If this is the Lord's will, we know he will provide: **please pray!**

Project Toba 2013-2014: (1) Further Old Testament translation. The proposed books for this next stage are: Genesis, Joshua, Ruth, Ezra, Nehemiah, Esther, Job and Psalms.

The team of Toba translators now includes Osvaldo, as well as Hilario and José, and they're so enthusiastic that they've decided to start already! Hilario has started off on Job and has already given me chapters 1 to 15, while Osvaldo has begun on Psalms. I believe this is the Lord's leading: it's starting to happen already!

(2) Bible teaching in Toba. Bishop Nick Drayson is also keen for there to be ongoing Bible teaching in Toba, particularly focussing on the New Testament, to encourage and stimulate its use both privately and in church.

We plan to return to Argentina in March 2013, continuing as CMS Mission Associates (Associate Mission Partners) through till December 2014. We believe God is going to make this happen, and this is your chance to share in the work He's doing with the Tobas!

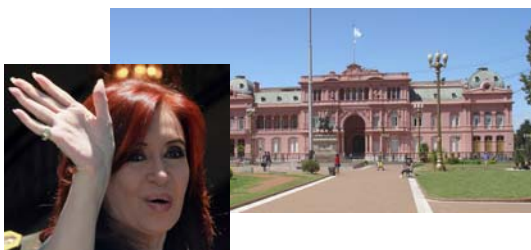

If you are able to commit yourself to make even a small regular donation towards our support, you will be making a huge contribution to this work. Please consider a monthly donation of £25, £50, or even, if you are able, £100. **Please pray about this!**

Recent comments by Osvaldo:

- "There's little interest in the Gospel now: I mean, nobody wants to go out and preach. So I must do something."
- "I want to be a leader, in order to serve my church."
- "I need to do further training, to be better prepared to serve the Lord."

Argentina: Please continue to pray for president Cristina Kirchner (left) and her government, for effective policies to produce economic growth and create employment, and to counter crime, corruption and inflation.

Many thanks for all your support in prayer! God bless you! With love in Jesus!
