### July and August 2011

July and August are volunteer visitor time for us here. From my new office I can liaise with most of the church folk who tell me how we can help their people and ministries. Here is beautiful Asuncion, trees blossoming in the chilly cold we're experiencing now. This gives all the Brits more energy and makes zipping about the city getting sewing resources much easier.

#### **Answered prayer!**

- Many of you have written in response to my father's situation. I'm happy to say things are working out better with a super local carer who is taking a lot of the load off my family
- You prayed for a pioneering sewing trip. Five of us went up to the indigenous areas of the Chaco recently and ran a day's workshop for 16 people. We aimed to help the women develop products they could sell to help their families. God did so many amazing things I will save them up for a longer CMS link letter

#### **Items for prayer in July and August**

- Following the workshop, please would you pray for the group who could meet weekly to sew and chat in San Mateo church. Some have very challenging home situations
- They are Karina, Cipriana, Tomasa, Negrita, Jacinta, Deborah and Rumilda. The co-ordinators are Marie and Zuny
- For safety travelling in crowded streets and long Chaco roads for the volunteers
- For God to bless us all with good communication and meaningful times in spite of language barriers

With love and prayers for rest and fun over your summer, Caroline
