

# Expupils with Bishop Greg

- The year 11's are still doing their IGCSE's. The inspector made a surprise visit this week and we praise the Lord that everything was in order.

- Pray for all the staff busy

- Pray for health and strength for us as we approach the time of year when we rarely see our house.

- The animals are fine though right now Munchie is having a scan on her liver to see what the damage is from the bad infection that she had earlier in the year. She had a setback 2 weeks ago and we thought we were going to lose her but she made a good recovery. The vet came out for her at 4.30 am that day! She seems fine now but has very low defences.

Thanks for all your support,  
God Bless,  
Love Gwen and Mags xxx

## Dates

- Nov 24th Preschool show
- Nov 28th 6th Form party
- Nov 29th Annexe 9th Grade service
- Nov 30th Primary service
- Nov 30th (evening) 9th grade service
- Dec 7th 6th Form service and dinner
- Dec 8th 6th Form Graduation

setting and marking exams and then writing reports.

- Pray for all the closing services that they might give testimony to the Lord's goodness.

- The Annexe launched a poetry book of their own poems last week and the visiting Supervisor was very impressed. She suggested that Victor(the head) should apply for free lunches since the pupils are classed as "at risk" because they come from the Chacarita. It would be a real blessing for them. Pray also for their end of year shows and the 9th grade service.
