

This 6th Form now wait for their final service where they will all be prayed for individually on December 5th and then their official graduation the next day. Before all of these they have their own Prom party on December 2nd to which we have been invited.

The End of Year

A week later it was the turn of the primary children to finish their year. Primary officially goes up to 9th grade and that's the end of compulsory education. The children are fifteen years old by then. Last Thursday Mags went to the annexe for their service before all the pupils left and then returned later for a special lunch for their 9th grade leavers.

Annexe

Micro Businesses

The 9th Grade presented their small businesses for selling the things they had been making. Each group had to learn to organize themselves as well as produce the goods. They did a very good job and raised a lot of money to help other people.

At the same time 7th & 8th grade presented National dances.

It's not long now till we will be heading back to the UK. We leave on the 18th Dec and spend 4 nights in New York which we are really looking forward to. Hopefully we will see many of you in Jan.

Wishing you the joy and peace of Christmas.

Thankyou for all your prayers and support this year.

Lots of love,

Gwen and MagS XX

Happy Christmas

2014

We have more or less finished interviews for the nursery class 2014. There are so many brothers and sisters and children of ex pupils that we haven't been able to look at anyone new. It looks like being the biggest nursery class that we have had for a long time. There are still many people looking for places for next year and recently we have had ex pupils back asking for places for their older children and it's been very difficult having to say that we don't have room for them.

We had a shock today to hear that a mum of two boys, Santo and Lucas, had died suddenly yesterday. We went along to the wake which was very sad. Please pray for Nestor and the family. Nestor is an expupil.

In the evening it was our 9th grades turn. The difference there is that ours don't leave but stay on for the rest of their secondary education. The pupils led the service with Pastor Donald sharing about God's love and living it out in obedience in the World.
