

## News and Prayer Requests from Peter & Barbara Jordan in Spain

December 2008

### Happy Christmas 2008

Dear Everyone,

Just to be different we are not rushing out buying Christmas cards - mostly available here in Catalan - and it's far too late to get some from England so here's a photo of our family instead - but the twins Nikkita and Indica have escaped and Jordan and Eden look a bit fed up! Also anyone outside the family who correctly decides who is who wins a Mars bar!

We are well - have just returned from a good trip to Los Angeles to visit Sid and Melissa - and are in the process of buying a house in New Brighton! It is a 3-bedroomed terrace with all we need - in need of attention so all offers of help invited! When it is sorted we will pack up and move in. It's very near to buses, park,

shops, walks beside the River Mersey, station (1/2 mile) and room in the back yard to hang out the washing -weather permitting! We are pleased we have enough money to buy it without taking out a loan.

So retirement and whatever that means really does beckon. Meanwhile we are involved in 2 Christmas services at Roses and Torroella (up north) and leading a Spanish Alpha weekend (13th/14th) We shall be at Lisa's for Christmas and

Jordan's for New Year and then stripping wallpaper in New Brighton. Please pray for us - for the letting go of people here and finding a church etc. Pray too for the long term needs of Catalunya and a visit of Bishop David to St Stephen's Madremanya on January 18th.

So thank you for your love, care and prayers and to Lawrie and Sheila Smithson who have sent out our prayer letters for six years.

When we are settled we will let you know our address and phone number - meanwhile [petybarbara@gmail.com](mailto:petybarbara@gmail.com) will find us.

We wish you a very Happy Christmas and love, joy and peace in the New Year  
Peter and Barbara
