

Prayer points JUNE

May has been an extra busy month with Chaco trips to dig a well, paint three schools, dig rubbish pits and build the wall round the well. Add to that the Bicentenary celebrations and a trip to Brazil for a Friendship Sports tournament and you will see that we have had plenty to do. Gwen made all the ponchos for the boys in her class for a dance in their show for the parents. There is a lot to be thankful for :

- Give thanks for all the Bicentenary celebrations and for the positive effect they had on the country. It was great going down town and seeing all the buildings painted and lit up. There were thousands of people out on the streets and a tremendous atmosphere.
- Give thanks for the trips to the Chaco to work in the Indian communities and for the way the 1st form were moved to help the teacher at one school who wanted uniforms for his pupils for the schools march. The want to raise about 100 pounds to help him.
- Give thanks for the trip to Brazil this last week and for the way the pupils joined in so well that the people running the place congratulated them for being such a positive influence on the event.
- Give thanks for the Preschool show done by Gwen's class. It was a great success.
- Pray for the school exams which are finishing in the primary but just starting in the older part of school. For the reports which need to be given out later in the month.
- For one of the volunteers leaving after 6 months. Jo Miller leaves at the end of the month and she has been a great help in the Primary and also helping with Maths. Give thanks for all she has done and pray for her as she prepares to go to University to do teacher training.
- Pray for new teacher Matthew Hickmott, his wife Kim and two boys from Dublin as they prepare to come out in the middle of July.

Thanks for all your prayers and support.
God Bless and love
from Gwen and Mags
