

PARAGUAY is progressing

New road by river with better housing for the Chacarita

February will be a busy month as we have lots of parents' meetings and also we start camps. Each area of school has its own parents' meetings starting around the 8th of February before school starts and continuing in the following week. The 6th form also go on a leaders' camp to prepare them to help lead other camps and also to help them choose who they want as Head boy and girl. They will go to Surubii, our sports ground.

We are very happy that Victor Santa Cruz will be joining our staff as overall head of the Spanish curriculum. Please pray for him as he settles in to his new role and that he will be able to establish good relationships with staff, pupils and parents. He has the advantage of having taught in the school over 20 years ago and of also knowing most of the staff. Pray too for the annexe as he leaves there. Profesor Catalino will be in charge there but Victor will still go along there at the end of each afternoon.

We have been planning for our 50 years celebrations and they will continue throughout the year and involve the pupils as much as possible. They will also involve ex pupils and parents. The school's birthday in March 18th so we will combine that with our Easter service on March 22nd. The pupils will

do various presentations and then in June we will have our big celebrations. We have invited the ex heads to join us as well as Mission agency representatives. We are planning a big meal for ex pupils and parents. It's been hard trying to find a place that could cater for over 1,000 people! (We had 800 at the 40th anniversary!!)

Please pray for all these things as we start off a new year. Pray that the Lord will be glorified and that the pupils and parents will come to know Him better.

We are both well and have enjoyed a lazy month. Please pray for us too as we start back in school; for re adjustment to getting up early, for the Lord's wisdom in all situations and also for stamina in the heat.

Please note that our e mail address has now changed and we can be reached at mygparaguay@gmail.com
