

The harvest is plentiful but the workers are few.
Ask the Lord of the harvest, therefore,
to send out workers into his harvest field.
Matt. 9:37-38

Dear friends and partners of SEAN,

On 14th July SEAN International celebrates its 42nd anniversary. From a small beginning in South America, SEAN courses are now used in over a 100 countries and 80 languages. As this was not a planned expansion it is impossible to quantify exactly how many courses have been printed and used. But we can confidently say that it is over the million and a half mark.

We have many wonderful testimonies of new believers being disciplined and thousands of leaders trained as Pastors of dynamic mobilised churches. We calculate that latterly over 150.000 students a year are taking our courses in the many well organised TEE programmes run by our partners in the different countries.

We honestly thought that after forty years this ministry would gradually be replaced in time. But the opposite is happening, there is a universal plea from our many partners for SEAN to continue and we are inundated with new requests from all over the world. But, to continue and to be able to respond effectively to these requests, SEAN has an urgent need to restructure.

For this we sincerely ask for your fellowship in prayer:

- We need guidance from the Lord on how to take SEAN forward so we can effectively meet the needs of the world-wide church in the 21st century.
- We need to identify where the human and financial resources will come from so we can do this.
- We need to find a new generation of workers with not only expertise but also the vision, commitment and spiritual passion of SEAN's founders.

So, as the 14th of July is our anniversary we are convening a worldwide "prayer day" for SEAN and its future. We do hope you can join us in thanking the Lord for what has been achieved so far and that we can meet the urgent needs mentioned above.

If you feel guided by the Lord, we would love to hear from you with feedback. If you write, please do so to: contact@seaninternational.com

We thank you and wish you the Lord's richest blessings.
