Latin Link Assembly in Peru

As many of you know in February we attended the Latin Link International Assembly that is organized every four years for all members.

We travelled to Peru by car! A trip of 5965 miles. It was a complete adventure; a tsunami warning while we were driving along the coast of Peru, road blocks in Bolivia, one vehicle abandoned in the mud for a day and much more...

But it was worth it!!

Starting the year's activities

In Argentina the academic year and activities organized around that start in March, after the break for the holidays.

Dany in Chile

On March 18th Dany travelled to Chile for 5 days to visit the city of Concepción that was one of the areas most affected by the earthquake. Dany also received a team that will be helping the neediest people for the next two months. He was also able to assess the possibilities of sending more teams to help there.

The situation is really sad. Thousands of families have been left homeless and live in tents in the streets without electricity or running water. Many churches have also been completely destroyed.

Mentoring

At the end of last year we started mentoring four striders, 3 English (Dany) and one Swiss (Flavia). This year we will also continue with this ministry until August.

Theological Studies

On March 15th we started our 3rd year of studies at the Bible Institute. A new challenge to organize ourselves and with a desire to continue learning and growing in order to serve God in the best way.

Argentines doing mission

We are organizing a Step trip with an interdenominational team (5 churches) with young Salteños (from the city of Salta). The aim is to support a needy church in Ecuador. This is an enormous challenge as it is the first team that will be sent from Argentina, especially as the young people are limited in their resources and are working together with their churches to make this experience happen.

May the God Who gives endurance and encouragement give you a spirit of unity among yourselves as you fellow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ.

Thank you very much for your support and prayers!

Let's pray for:

- The clases at the Bible Institute
- The team that is already in Chile and for possible projects, that they can be arranged in order to be a help to so many people in need.
- For the missions trip to Ecuador. That God will give us wisdom in orientating the young people who will be travelling both in their spiritual and financial preparation.
- For our discipling work, that God will fill us with love in order to be able to transmit his living word.
