

THE SAMS CHALLENGE

- As followers of Christ we are called to live in a state of awareness.
 - True Christian worship means involvement with God's world.
- Our theology needs to be worked out in the midst of the mundane.
- As a mission agency we challenge you to participate with us through the SAMS challenge.

I QUIT

I quit playing Church. I quit going through the motions. I quit pretending to have it all together. I quit the status quo.

I quit.

I BEGIN

I begin to be the Church. I begin to take up my cross daily. I begin to respect others who differ from my beliefs. I begin to practise my faith. I begin to put the words of Jesus into practice.

I begin.

I INVEST

I invest in the lives of the broken, the forgotten and the hungry who live in my community and in South America.

I invest.

I SURRENDER

I surrender my need to be entertained and I will leave my comfortable chair and exchange it for time on my knees in prayer.

I surrender.
